Such a lovely lady who made my stay at cardiac rehab very easy. She always had a smile and would bring some goodies for everyone along with Earl. After my 1st day and deciding not to come back she easily changed my mind about it. RIP sweet lady.

“ *My heart is breaking and I will miss our talks. She was the best mom and Nana. I will miss her cooking and especially her fried Okra with Green Tomatoes and Macaroni and Cheese.*

I will never forget the first time I met her, the song Akey Breaky Heart had just come out and she had a tshirt with it on It and we all were doing the dance. Such fun.

Il know she missed Earl and now is with him.

She will never be forgotten and always be loved!
