“ Kelly,
So sorry to hear about Scott passing. Seems like just a short time ago we were talking about you guys retiring and moving and excitement about the future.
We never know when the Lord has planned to take us to eternity in heaven, but we all will see each other again through him.
Before long, the world will not see me anymore, but you will see me. Because I live, you also will live.

“ Kelly, I am so saddened by the loss of Scott. He touched so many people at HMA and we had many discussions about you guys today. To a person, everyone talked about what a great man he was and how genuine as a person he was. We will be praying for you guys in the coming days.
