“ My friend Scott, I still can't believe the news you're gone. You've stoically been my Auburn buddy helping me stand up against the "Tide". I will always remember you and the Sparks family friendly with our family since we were kids knocking around in "O-town".

Now You can be rejoined with Kyle. I will always recall the nice "thank you" letter you wrote (sending it along with Todd one weekend to my house) including Kyle's obituary. You had a spiritual way of viewing his passing. I hope you two get to share the "great beef jerky" up in heaven. We will all miss you buddy.
