“ He was a great teacher! He had the coolest board game ever when I was in his class. This is so sad. He was my first grade teacher. He was the best. I remember I lost a tooth in his class.

“ My heart is saddened to hear of Sean's passing. We taught on the second grade team together at MZE for a number of years before I retired in 2010. Sean always had a smile and something funny to say to keep you going throughout the day. He loved teaching and was always excited to help his students learn. He was always eager to share new activities he was trying in his class. Sean's favorite conversations centered around his family. He enjoyed talking about his kids. His love for them showed in his smiles when he talked about them. I'm sorry we lost contact with each other over the last couple of years. My prayers go out to all of his family. He will always be remembered with a smile.

“ Sean and I started together at Mt. Zion and we were both living in Oxford. He was always such fun to be around and a very good friend to me when I lost my daughter in 2004. You have my deepest sympathy.
