“ Shane was my first lease when I was 19 years old. I leased him the apartment at Sunlake when he got his first job at Intergraph (1995). I've always kept an eye on him throughout the years and made it a point to see him and talk to him when I could. He was such a shy and nice guy and he would always perk up when he saw me! We couldn't have asked for a better resident and friend at Sunlake. My deepest sympathies to his family.

“ I was saddened to hear about the passing of Shane. I fondly remember going on a story together where he shared his knowledge, and I learned a lot from him that day. He was always professional and kind. I appreciated our conversations. My thoughts are with his family and friends during this difficult time.

“ I am so sorry to hear about Shane. He was a childhood friend of mine. We were on the same baseball team in Little League & then later with Oxford baseball. One story I will share that I will never forget and this is 100% true. I'm not making this up. We went to a Braves vs Reds baseball game when we were teenagers. This is when Pete Rose managed the Reds. Keep in mind the Braves were horrible back then & hardly no one went to games. Well we came up with a bright idea to follow the Reds bus back to their hotel (I'm not sure who's idea it was) to try to get Pete's autograph. We found him & other players/coaches in the lobby of the Marriott in downtown Atl. We asked him for his autograph & he told us no. Shane spoke up & asked would you at least shake our hand? Reluctantly he did stick his hand out for us to shake it. As we were leaving he had a few choice words for us & one thing I remember him telling us was that we needed to go home and do our homework. Once again please accept my condolences.
