“ *I remember when Shelia was pregnant with Lori. And I knew jealously wad a sin, but was so afraid that she would not love me any more after she had Lori. So i went to her crying telling her how i had sinned. And then explained that I didn't want to have a baby because she would not love me any more. She started crying & I was crying through her tears she explained to me that no matter what happened during our lives that she would never stop loving me. I knew then that she was capable of loving more than one child. Luv u sis. Thanks for living me.*
