

Shelia D'Anna

October 26, 1960 - June 4, 2021

Shelia Marie D'Anna, age 60, passed away June 4th, 2021. She was a devoted mother, grandmother, daughter, sister and friend. She is survived by her three loving children; Casey D'Anna(Kerry Kiker) Cody D'Anna(wife, Kailey D'Anna), and Kayle D'Anna-Craft(husband, Logan Craft), her grandchildren; Kylie Kiker, Keeley Wills, and Kason Kiker.

Shelia was a woman with a heart made of pure gold. She would always say, "I love you real big"; that's because she loved with all that she had! To know her was to love her, that is why she was affectionately called Momma by all that knew her.

Her smile was contagious and would brighten a room. You couldn't help but feel happy when you were with her.

Shelia was always assigned the task of potato salad, because hers was the best, and she made sure every birthday dinner included creamed corn.

Shelia was a loyal employee to the Black Family Restaurant's McDonalds for 45 years. Every person that worked with her loved her infectious personality and became her second family.

In addition to her children and grandchildren, she is survived by her mother; Rachel Cobb(husband, Pete Cobb) her siblings; Barry Davidson(wife, Melinda Davidson), Vickie Davidson(husband, Stanley Patterson), and Ben Davidson(wife, Chasidy Davidson), along with aunts, uncles, nieces, nephews, cousins, and many friends that are like family.

She was greeted at the gates of heaven by her father, Jerry Davidson.

Visitation will be held at Miller Funeral Home in Oxford on Tuesday from 1:00pm to 3:00pm. The funeral service will immediately proceed in the Toby Miller Chapel at Miller Funeral Home. A burial will follow the service at Edgemont Cemetery in Anniston.

“ I am one of many people who would say that Shelia was the first true boss they ever had.
I truly believe that her heart was so big that it is amazing it fits in her chest. She loved you like you didn't know you deserved to be loved because that was just how she was. Words will never give justice to who Shelia is, and they don't need to because she will live in the memories of every person she ever came into contact with.

*"And if you need to cry,
Cry for your brother
Walking the street beside you
And when you need me,
Put your arms
Around anyone
And give to them
What you need to give to me."*

— Merrit Malloy

Please look after me now as you did while you were here, I will always hold my memories of you close to my heart.

“ She was the first true "boss" that I ever had and first one that was also my dear friend (40 years later). I have so many stories and so many life truths that I learned from Sheila. She was tougher than \$2 steak, but sweeter than a Mickey D's Sweet Tea! I love you big and owe you big, I will surely miss you Nanner!

“ *She hired me and worked with me for about a year or so but always thought my name was Linda.. Even after everyone and myself told her my name. She even gave me my name tag showing Linda was my name.. so for as long as I worked there my name was Linda.. we had fun with it. She was truly a great person to work for and with. She was a force to be reckoned with. My prayers go out to her family and friends*
