“ Aunt Shirley was so sweet to me. Growing up, our visits every Christmas were the highlight of our year. I remember sitting outside on Mama Chap's screened porch eavesdropping on the adult conversation and someone said something that tickled Aunt Shirley and she was laughing so hard she couldn't talk. Tears poured down her face and every time my Dad asked her what was so funny she started laughing again and eventually all of us were laughing hard too. I have missed seeing her and the rest of you since I moved to Florida. I loved her very much! Terry, Tyler, Missy, Lindsey and Justin -I am so sorry for your loss. I love you all! Cammi

“ Your Mother was a important part of my life. As a child she was my Brownie and Girl Scout leaders, Band Booster. She and your Daddy were always so supportive of me and many others. As an adult she encouraged me and my entire family in our involvement with Backwoods Christian Camp. She encouraged Lindsey and Justin to attend Camp and we had wonderful memories together. Terri you and Tyler have always been important to me. May God Bless y'all in your loss.
