“ I just found out today of Shirley’s passing, and my sympathies and prayers are for her family.

I was a classmate of Shirley’s at White Plains. Shirley came to the last reunion we had a few years ago, and everyone was so happy to see her. She still was the same fun-loving Shirley she was back in our school days.

I want the family to know that our class had a lot of really good people and was a loving class. I don’t think anyone of us who are left knew of her passing or would have been there to pay our respects.
