My thoughts and prayers are with you all as you grieve the loss of your beautiful mom. She was one of the sweetest people I ever met and she loved you all, "her babies", more than you will ever know!!!! I loved listening to her talk about you because she lit up when she did!!! Madisyn, you were her precious baby girl...her miracle...don't you ever forget it!!! Remember her with everything you do...she will always be just as proud of you as the day you were born!!!
With love,

“ Sonya and I have become so close over the past year. We shared a bond that I could never explain. Her calm and beautiful nature changed me profoundly and my heart will always have a space that's empty because she's not here on this earth. I hope she knew just how amazing we all thought she was and how much she meant to me, especially our late night porch talk. I will always miss her...always. Love, Debra
