You will never be forgotten. You was a sweet and kind every time we talked. We laughed so much and we felt and talked about each other pain. I wish you peace. Go sing with the angels and we will meet again

“ *Stephanie, I will miss you for the rest of my life! I can't wait to see your beautiful face in Heaven one day! I'm pretty sure you're making everyone laugh right now! You had such a pure and loving soul. You were one of a kind. I'm sure God broke the mold after He created you! I'll love you forever! - Aleah McWhorter*

“ Sweet memories of Stephanie from Bynum Elementary School days. As adults I would see her in WalMart with her sweet momma and we would talk forever. She never forgot a face. Praying for her family during this time.

“ Stephanie was a friend to so many, she helped me along with others through our depression. I went to school with Stephanie from elementary to high school and she was a regular customer at a convenience store I worked at. If I wasn't busy we'd talk for hrs. Most recently, in June, I found out I had Cervical Dystonia which is one of the conditions she had, as soon as she saw my post about it she was contacting me, explaining it to me and how the muscle relaxers I'm taking now will work for a while but then they will get to where they won't at all. I know she was in alot of pain it wasn't but 2 days before she went missing that she messaged me and was telling me she was in unbearable pain and nothing was helping. I loved Stephanie so much and will miss her terribly
