

## Mrs. Susan Eberhart Wadsworth

October 28, 1955 - February 10, 2025

Susan Eberhart Wadsworth, 69, passed away peacefully on Monday, February 10, 2025, at her home in Oxford, Alabama.

Born October 28, 1955, in Fort Payne, Alabama, she was the third daughter of Hugh and Bernice Eberhart, both of whom preceded her in death.

After meeting her soulmate, Daniel Wadsworth, in September 1975, the two wed in May 1977. Together, they raised three children and made Oxford their home. Susan served her community for thirty-five years in her role as an administrative assistant at the Gadsden and Anniston campuses of Gadsden State Community College, where she was known for her unending kindness, helpfulness, and professionalism toward both her colleagues and the thousands of students she encountered. After retiring, Susan most enjoyed spending time with her family and watching the waves roll in at the beach, her favorite place in the world.

Susan is survived by her husband, Daniel; son Eric Wadsworth (Samantha); son Christopher Wadsworth (Heather); daughter Laura Carter (Evan); and grandchildren John, Daniel, Nolan, Dylan, Genevieve, and Dane. She is also survived by her siblings, Myra Mills (Terry), Janice Bohannon (Leland), Edward Eberhart (Deborah), and Beth Greenwood; her in-laws, Michael Wadsworth, Deborah Wadsworth, Stephen Wadsworth, David Wadsworth,

and Jennifer Moore (Michael); and numerous nieces, nephews, and cousins.

A small memorial service will be held at 12:00 noon on Saturday, February 22, at Miller Funeral Home in Oxford, Alabama.

Throughout her fight with cancer, Susan found great comfort and hope in Christ as the anchor for her soul (Hebrews 6:19). She would want the same for those who love her.

In lieu of flowers, the family requests donations be made in her honor to St. Jude Children's Research Hospital, an organization that both cares for pediatric cancer patients and paves the way in pediatric cancer research.

“ Here is a couple of more pictures of Susan. These were taken in an apartment off campus in East Gadsden that we lived in. It was a going away party for me. I was moving back home (Florida). We had a great time together in college. In one picture it's Susan, Carmen and myself and of course Dan and Susan. Just wanted you to know Susan was loved by all who knew her she was a wonderful person and great friend. ❤️

“ I met Susan in 1975 at Gadsden State Junior College. We lived in the dorms together. We didn't take many pictures back then but I came across two of these pictures at GSJC. One is Susan walking in the lobby of our dorm and the other we were walking to class. Pictured are Susan, Delores and myself and two others. We became great friends. The other picture is Susan in Delores' wedding. I'm looking for more pictures of Susan I think you might want to have I'll post. Susan was a great friend even though we live miles apart. ❤️

“ I first met Susan in 1991 when I finally pursued my life long dream to get a college education. She was so supportive and encouraging. Most nights I was going in to class as she was leaving work. Lots of times she handed me a Dr. Pepper and a pack of crackers because she knew I came straight from work and didn't have time to eat. That was Susan, always looking out for others. After I graduated from GSCC, we chartered a chapter of International Association of Administrative Professionals together in Anniston. We have remained friends, and for the past 16 years were neighbors, just around the corner. I could go on and on. Just know that I loved her dearly! Larry and I have been and will continue to cover her family with prayer. May the Lord comfort you and keep you in the days to come. Faye & Larry Robertson
