“ *Jeremy and Katie, I want to express my condolences to you both in the death of Susan. as both my wife and I graduated from Oxford High School with her. For the past four years I have had the privilege of contacting all our 1961 classmates on their birthday. Talking with your aunt was always a joy as we caught up on all the things going on in our lives. We looked forward to seeing one another at our next reunion. We will be praying for you and your family.*

Sincerely,

*Dr. & Mrs. Ron Ross

My wife and I just learned of the passing of our long time neighbor, Susan White. Our thoughts and prayers go out to the family. Susan was such an interesting person to know and talk with and she often spoke of her nephew, Jeremy and his family and how proud she was of them. She will be missed.
