“ I (Billy Moore) worked with Teddy's Daddy for years at Southern natural Gas Company. We rode together to work for a long time and he would talk and tell how proud he was of Teddy. We all called Teddy's daddy Snowball at work. I didn't know Teddy that well but I loved the Snow Family.

God Bless

“ The youngest of the Snow grandchildren of Lee and Maddy Snow has left the last few of us cousins still facing and navigating life's pleasures and difficult journeys. Only God knows our hearts and only God can judge us for our good and bad . I miss Uncle Ted and Aunt Duema (Idumea), they loved us an him unconditionally. Teddy always followed as close as he could to Hopie and I when we were young. My memories of there home were all good and there door was always unlocked and open whenever we came. My heart is with each of my remaining cousins ever how many that may be and my love will always carry to the last of us leave. Aunt Dumea is now showing Teddy glory land . Praise God!

“ I remember the first time I met Teddy. He was about two years old. His parents had come to visit Hugh at University of North Alabama. He was walking down the sidewalk pushing a little lawn mower. He called it his Put-put. He was so cute. When I came to their house to visit the first time, Teddy heard me call Hugh "Pooh Bear." It was just a cute name I called him. Teddy came up to Hugh and said, "Urse name Pooh Bear?" He couldn't say "Is your" name Pooh Bear, but instead he said "Urse name Pooh Bear?" Then he said to me, "Urse name Pooh Bear too?" So Hugh became "Big Urse" and I became "Little Urse." It was just a cute name we called each other for years. Teddy was such a cute little boy. He had many challenges in life, but he had a kind, sweet heart that I loved! He is being rewarded in Heaven for all that he did for other people. Teddy, tell "Big Urse" I said hello.
