“ Teresa, the moment you walked into the office at Eglin, we became fast & lifelong friends. It never mattered how far the miles between took us, we could always pick up a conversation as if it were yesterday. You were not only one of my very dearest friends, you were my sister. It never mattered what life dealt you or how you felt, you always had a sweet spirit about you, a twinkle in your eyes, and that beautiful smile on your face. I can see you smiling in Heaven now, reunited with your Saviour and so many other loved ones. I know you'll be looking down on your family & friends left behind. I pray they can find comfort in knowing how much you loved them & that you can be found in the memories you all shared. I'll always cherish our times together. When I think of you, it is with a heart filled with love and a smile on my face.
