Terri was born with physical disabilities but that did not stop her from living a full, bright, Christ centered life. She graduated from Jeff Davis High School in 1978 and graduated college at AUM. She did missionary work, taught young children about the love of Christ, and attended every church service she could until her body would not allow her anymore. Terri was a member of Ridgecrest Baptist Church in Montgomery. She was a member and Prayer Warrior of Cleburne Baptist Active Women. Terri was the sweetest, most kind, and most humble woman. Terri was determined to get to know you and let you know that you were loved. She brought laughter and compassion to her family, friends, and the residents of the nursing home she lived at.

Miss Terri will be greatly missed by all those who love her.

“ My sweet Terri!! I will forever cherish the time I had with her. We had many wonderful conversations and she taught me so much about life and perseverance. She never failed to ask about Dru and how he was doing. Even when she wasn't feeling well herself, she always cared about others. She taught me about “god winks” and now I continue to share that with others! Ms. San and Sherry, please know we are thinking of you and praying for you during this time. I cannot imagine the celebration she had waiting on her when she arrived in heaven!
