“ So sorry for the loss of Mr. Buse never had the pleasure of meeting him personally but felt like we knew him through his family. It is hard to lose a parent or grandparent or spouse and he will be missed by those he loved but now he is watching over his family from above. May our God bestow his peace and comfort to his family through this time of loss.

Our thoughts and prayers are with you all

“ Terry was always ready to make you laugh. Every time i would come over to get Jessica, he would always be ready to get something funny stirring! He loved his family for sure. He would wrestle the devil over his children and grandchildren. There are no words to describe the void that was made when he passed, but there are many words to describe the wonderful person he was to those he loved and cherished.

My Love and prayers go out to the Buse family.
