“ I did not know Terry long, but in just a very short time I enjoyed being around him and listen to his laughter... I considered him a friend and we carried on a few conversations. He was easy to like and we bonded quickly around the machines... My thoughts are with his family and friends , especially Jerry and Debbie.... God Bless ..

“ I'm sad to hear the news of Terry's passing. He was one of my best friends in our younger days. I hadn't seen or talked to Terry since the mid 1980's but I thought often of him and how he was doing. My prayers go out to Jerry and all his family and friends. Rest in Peace my old friend.
