“ Man I miss you, we weren't close and we barley talked, I will always remember you as being my step uncle, I use to be so scared of you cause you had a mean face but then I realized you weren't as scary as I thought, I can't believe your gone, your gonna be missed by many and no one will ever in love you, I'm sorry you and Thomas have not spoke in months. But deep down you know he has been dying to, I'm sorry. I ever one time at a barbecue you had some swim shorts on and they had butt cheeks on the back of them 😂 that had me laughing. Gosh this makes me sad but you won't have to worry about being in pain any more. We love you R.I.P my dude ❤️
