“ *Therman and my father were were cousins and also good friends. After my dad died Therman called my mom several times a month for the first year checking on her. I know that he experienced much loss in his life and found it easy to sympathize with others going though similar loss. Our family is incredibly grateful for the support that Therman gave to our parents and we mourn his loss. Sincerely, Doug Green*

As my brother Douglas said, Therman and my Dad had a heart connection and there were many times I caught my dad smiling or laughing on the phone as Therman encouraged him through his 5 years of cancer. That was a blessing to me as I watched him add joy to Daddy's life! We were definitely blessed by him and will be praying for you all.

Continued prayers and thoughts for the Therman Greene family. May God be with you all during this difficult time. Therman Greene was such a good example to everyone including his family. I had the pleasure of working for Kevin Greene as Office Manager for Golds Gym in Anniston from 1990-1995. I knew Pat Greene when I worked with her at SouthTrust Bank in the 1980s she was a special friend.. No words can describe all the good this family has done for the city of Oxford and the community. May God continue to Bless you all. Thank you Kevin for the opportunity you gave me. Sincerely, Meschelle Mitchell .
