“ My deepest sympathy to you daughters Sherry, Wanda, Dena and Debbie, he was so proud of each of you and loved you so much. I am thankful for many memories of being with Pat as caregiver, He made me laugh many times, but one of the cutest things was if one of twins came by, after she left he would look at me and say, " was that Dena or Debbie, I can't tell them apart?" I know he will be greatly missed and always held in your hearts. My thoughts, prayers and love are with you all at this time, May God bless you!

Brenda, that makes me laugh. He would get confused all the time. Mom would have to keep him straight. He was definitely a one of a kind. Thanks for taking such great care of him.
