“ Jason was someone I kept in touch with over the years. He always made me laugh with his jokes and spontaneity. What a loss we have all experienced. My prayers are with Brandon and his family at this time. God bless you all.

“ I can remeber playing centerfield and him playing 2nd base in mustang at Saks Youth Activities. So I was lined up right behind him all game and all practice, and I was always so jealous of his long blonde flowing hair hanging out the back of his ball cap. I would think to my self. Why can't my hair look like that!

“ I spent countless days and nights hanging out with my buddy. He drove fast, laughed loud and lived hard and loved the crap out of his family. He was my friend. I will miss you, man.
