*Tim. You are mystery. Your a double puddle. Your a free spirit. Its hard to let you go.
A teacher of few words. Determination. Maybe im wrong but you are my Fran. I'll be dreaming of you. In the sky in the air in me. Your a instrumental relief. Quite Perfect we are when we connected. Your cute voice. If i could here it a least 1 time a day I would smile at least 3 times. Lol
Love out loud. Can't tell you by. Your now invisible, my go to. Thank you*
