“ *Todd was the smartest person I ever knew. He help me through the pain of high school. Without his wit and humor, and friendship, I would have quit school. But he pushed me to stay the course and make it. He is one of the reasons, I was able to not only make it through high school but succeed in life. He always had an encouraging word for me. He has passed much too soon. I will miss him very much and always be thankful for God sending him my way just when I need a friend the most. My God be with his family during this time of loss.*

“ We feel so blessed to have met Todd and part of his family only six weeks ago. We have been friends with Dawne, Jeep and Nanny for many years and consider them family. Our hearts are so heavy with sorrow for your family. We believe God puts people in our path for a reason. We may not know that reason, but it is always a blessing in some way! May God give the peace and comfort that only he can give.

*Prayers and hugs from us to you!*
