“ Todd was the best brother-in-law EVER and most only dream of the love he had for my sister. I'm grateful and thankful for you and for loving my sister and respecting her like you did and being a part and loving our family in such a Todd Tanner unique and fabulous way!! Todd you are leaving behind a huge void in our family and things won't be the same without you and your ability to make everything and everyone around you smile and shine. I look forward to the day we meet again and I hope you are telling my momma some good plays on the Alabama games she missed seeing with us all and that you are having a blessed reunion with your mom in heaven. "Oh my Goddddd ! Todddd!" We Love you much -Cathy & Louis

“ Todd,
I woke up yesterday and reached over to wake you to go hunt but you were not there. Tears rolling down my face missing you so much but I had a thought. You've told me several times over the years that hunting gets you closer to God and that it was a peaceful time for you. Although my heart is so broken I know where you are now and the peace that you must feel. We've had bad times but our good times have always outweighed the bad. I have peace within me KNOWING that you loved me and our children!
You always said I was your rock but a rock needs the ground it sits on and you were defiantly my foundation. I am so jealous of the angels! I hope they know what they have! I love you!

Lisa, i am sorry for our loss but you also know how much he loved our children (y'all didnt have any) i know he loved me deeper than anyone ever knew. I hate you have chosen not to allow me to attend any services and This has broken Todds children's hearts. This is not how he would have wanted it! Morgan's hearts broken by your actions and hates she cant attend because of your selfishness. RIP TMT/ Daddy

Amy, thank you for your words it's just a reflection of your heart. Morgan could have been there for her daddy but you made this about you as you always have and have NEVER made this about your children. They will forever suffer for the way YOU TREATED THEM when it comes their father and ANYONE reading this knows your selfish heart and my selfless heart. I hope you sleep well knowing how you treated Todd and your children. I HAVE NO REGRETS and done EXACTLY what Todd asked me to do.

You call yourself a Christian on your Facebook Amy and have all this Godly stuff on your Facebook and yet you would say that to someone who just lost their love ones and you being the mother of his children sounds like you're the devil instead of a God loving person

“ *Behind the stars in the sky
In the heavens up above
My Dads big truck is starting up
As he moves up through the gears
Just smiles, no tears
Life's worries have all gone*

*As heaven is all around him
Johnny Cash sings his favourite songs
No rush, no time, no deadlines
He's back where he belongs
He laughs and talk of old times
And how special they have been
The view from heaven
Is like nothing he's ever seen
And although we miss our loved one
He'll pray to keep you strong
and he'll wait at heavens gates
for when you come along*

*I have an angel in heaven watching over me and I call him Deddy. I
love you Deddy! Until we meet again, I'll carry you in my heart and
remember the good times we shared.
