“ Dean and I feel so blessed to have met and gotten to know Tony and Shelley! Tony was such a caring and passionate man who fought for what was right. This picture was taken at FabArc Steel in May of 2022. Never would we have thought Tony would no longer be on earth less than three years later. We are glad he is no longer in pain but so very sad for the loss of a special man and heartbroken for his family, especially Shelley who he adored!

“ To Shelley Pugh, Myra and David Pugh, Tony's children and grandchildren and his brothers and Brother in law and all of the extended family: we send our love and sincere condolences to all of you! There was not a finer man and friend than Tony Pugh! Tony and Shelley together fought a hard and valiant battle. He is now proudly walking the Streets of Gold, completely healed and no longer in pain. He loved his Lord and Savior, Jesus Christ and I have no doubt that he is rejoicing in Heaven. Looking down he will do his best to help heal the broken hearts because that is who he was. Rest in Peace our sweet friend!
