“ I loved my Aunt Tootsie so much. When I was young, I loved spending the night with her and Uncle Terry and Donna. They were always so cool. One time I remember, they took me, Donna and little Terry to Six Flags and left us; and then they picked us up late that afternoon.

I'm sorry I couldn't make it to the funeral yesterday; I just started a new job and I had to work. I love you all and I'm so sorry for your loss.
