“ I remember Mr. Hill from the Saddle Club Days swinging me around the dance floor. We all use to have so much fun dancing, listening to the band play and just sitting talking to one another. We all were like family. I've known Mr. Hill and his family since I was 9 years old, 28 years. I love you Mr. Hill and you will be missed dearly. To the family, I am so sorry about your loss. My thoughts and prayers are with you all.

“ Used to love to see Mr Hill come up our long driveway on his all terrain golf cart. He would always come up to the house and if we were out in the yard he would talk to me and the kids for a while and sometimes enjoy a cup of coffee at our house and head on back down the driveway toward home. Sweetest fella ever! Our kids will always remember the time he can up and we were doing an outdoor school lesson(we homeschool) and Mr. Hill came up on his golf cart and ask if we had a school lesson that could teach him something. Lol. You will be missed sir. And the Smiths are praying for the family.
