Happy to had talked to Morf, wanting to meet him in person this next coming year hurts now knowing that won't be coming. He made a great impact to your group and he won't be forgotten.

Words cannot express how grateful I am to have met him. The laughs we shared over the years. Him yelling at me when we didn't talk for ages. Th nicknames, the games played and memories created. I will always cherish them. My heart aches. Rest easy now Morf.
