

Trysten Allen

September 24, 2000 - May 18, 2025

Trysten Allen, 24, son of Winnie Deshler Allen and Cecil Allen Jr., passed away on May 18, 2025, in Lithia, Florida, from a motorcycle accident.

Trysten was born in Kansas City Missouri, on September 24, 2000. As a triplet, he was born with two best friends, Randy and Jonathan. They were joined a few years later by their younger brother, Jacob. If they weren't on a carnival midway, you could always find them together fishing or getting into mischief. As they grew older, they enjoyed working together and cutting up jackpots around a campfire.

Trysten had a deep love for music—his playlists spanned everything from country to rock and rap. He also had a passion for the outdoor amusement business. He took great pride in his work with his uncles on C&M Southern Midways, where he honed his skills and became known for his ability to work on just about anything. A true jack-of-all-trades, Trysten could repair cars, build or refurbish equipment, and was known as an all-around Mr. Fix-It. One of his proudest accomplishments was buying his own game trailer and refurbishing it alongside his brother Randy.

Trysten's competitive nature fueled an extraordinary work ethic, always pushing him toward higher goals and new achievements.

Above all, Trysten was a family man. If you were friends with him, then you were part of his family. He deeply loved his whole family, especially his brothers and sisters and took immense pride in being an uncle. His zest for life and joyful spirit brightened even the cloudiest days. Fearless in the face of risk, Trysten never shied away from a crazy stunt. He lived life without hesitation and to the absolute fullest.

Trysten Allen will be forever remembered for his big heart, humor, and unbreakable bond with those he loved.

“ My Baby Boy Trysten.....
I can't believe it has already been a month.....
Since you Left our World behind.....
Gone to soon..
My heart filled with sorrow and gloom...
I will never understand why...
I wanted you to always be here and I wait for you to walk in the
room even still....
I can't call you anymore or hear your sweet voice...
but God has taken you and we here get no choice.....
My days are filled with a broken heart and years will be filled with
tears...
for I know that you are Now up in Heaven....
And will no longer never ever again be here...
Your mom and your brothers are trying to make it day by Day...
So please just watch over all your brothers and keep them safe and
always show them the way I Pray 🙏

Mom loves you my sweet boy...
And I always will ...
You will never be forgotten...
As long as I am here still.

May God wrap you all in His peace only He can give and that surpasses all understanding. We will continue to lift you all up in our thoughts, and most importantly, our prayers.
