“ Had known Eugene since I was in my teens. We both loved skating at Oxford Lake and he was one of the best!!! As for the last few years, he was still taking care of me. My grandmother’s old home was next to his and no one lived there and I was questioned by some neighbors whether I belonged there. Eugene came out and took care of me. I was able to pick up my Granny’s pecans. That was Eugene and we have all lost a sweet soul. But, God needs another Angel ♡♡♡♡ RIP, dear one
