Walter Fritts...one of a kind with the the biggest ❤️ Loved his family, friends (and Ranger) so very deeply. Loved Gunsmoke and grapes and making everyone laugh. I will miss our Wednesday talks...about his grandgirls, politics, my daughter, and life's regrets. I recently helped him connect online in his office at home to his church's services and he was so thrilled! He loved the Lord indeed. Today is the 1st Wednesday without him and I won't hear him tell me, "What do you want!" as I walked in the front door. Then a huge smile would appear on his face when he saw the bag of grapes in my hand:)

I hope he knows how much I loved him ❤️ No more weak legs...lots of running into our Saviors arms ❤️

“ Walter was a great brother-in-law and friend. He was always good for a laugh or just a talk. He loved his wife and son very much. But he loved those granddaughters even more. Listening to him cut up with them always brought a smile to my face. He will be missed! RIP my friend!!

“ Great memories created with Walt. A loyal friend and always fun to spend time with, whether it was a road trip, having a lunch, just riding around, going to Vegas, everything with Walt was a laugh. He loved life, his family and would never let you down. I miss him.
