“ Wanda was close friends with Tracey Decker and Aaron Vantour for many years. Then I met her in March 2017 after I was in the hospital for being sick which we became friends. Her and I were friends for 5 years. She loved everyone and had a kind heart. Wanda you are dearly missed already by so many people who loved you. Cancer sucks but I'm glad you're not suffering anymore because you are now healed. I'm so sad that you're gone. 😭💔
Fly high and until we all meet again one day,
R.I.P. sweet angel. I love you and you're always in my heart. 🕊️🙏
