“ Mrs. Wanda was absolutely amazing. One of the best people I met in school. She kept a check on me through the years after school & always let me know how my brother and sister were doing during the few years I didn't have contact with them. She was never judgmental & had one of the biggest hearts with lots of encouragement & words of wisdom.. She will be missed. My prayers are with the family. Especially Jake & Auburn.

“ Mrs. Wanda was such a sweet lady. Knew her for many years. My daughter Jessica grew up with her son Jake and when ever she saw us she always greeted us with a smile. Gonna miss her so much.

“ The Wellborn Community has suffered such a loss with the passing of Ms. Wanda. The elementary school was her second home for two decades, and those who worked there or attended were befriended, comforted, and cared for by her. Her smile was always present throughout the halls and classrooms. To Jake and the rest of her Family, we send our deepest condolences. Wanda, we will truly miss you and your sweet spirit. We know God Has Welcomed her, and May He Grant peace to all of her beloved relatives.

“ The first time we met Miss Wanda I was aggravating her about her country drawl. I said “you definitely ain’t from Oxford with that accent. Where you from, Blue Mountain?” She said “heck naw, down in Wellborn”! Lol
Although my wife & I only knew her a few short weeks, we connected with her & the entire family. We’ve prayed hard for all of them. We’ve been so blessed to be welcomed into their family, & we’ve loved being able to love on every one of them.
The Kirklands love all of you, & will continue to pray for y’all.
ALWAYS here!
