“ Ms Sue always showed me love and kindness. Loved showing me her collection. My daughter Terry would spend the night with Lauren and I knew she would be taken care of. We love you Ms Sue.

“ Sue was my mother-in-law but she always said I was her daughter and I claimed her as my mother. She was always good to me! She was kind to everyone, compassionate, loved to laugh, loved people. My heart breaks at our loss, but I know Sue is with Jesus where she is happy and whole, free from all the illnesses she has endured for the past several years. Goodbye, Precious Lady! Love, Grace
