*Thank you so much, Mr. Luciano for this kind offer. I am Billy and Judy's daughter and this Bible and the certificate pictured are not the same people. My parents were married in 1962 and my Mother's middle name was Laverne. It's certainly possible this Billy Brasher was a cousin of my father's, but I do not know them. Hopefully they can be reunited with this as I am certain it would mean a lot. My best to you.
