“ *There are a lifetime of memories that come to mind. Too many to narrow down and share. He was a great uncle and always made me laugh. He and Daddy (Jim) were not just brothers but best friends. I am so sorry we could not be there with you. Moma thought of him as her brother. We love you and send our prayers for comfort for y'all. There is a a great reunion in heaven. Nell, Karen, Cathy and Christy.*

“ *Uncle Billy was a favorite with all his nieces and nephews. He always had a smile and a story to tell about growing up with our parents. He was only 7 years older than me, and I have so many sweet memories—including watching him court his wife Polly and seeing them get married on my birthday. Though we were far apart in miles, he was always there. Hugs to his girls—all three of them. So very sorry for this loss.*
