“ *When I first starting dating Stanley we had lunch on Saturday with Billy and Christine. Christine had fixed the best chili. Sitting there and watched Billy making a peanut butter sandwich to eat with his chili. I could not believe it and he told me I needed to try it. I did and now can't eat chili without a peanut butter sandwich. Loved Billy and Christine so much. The best Father and Mother In Law ever.*

*I was one of the younger cousins and the older had talked me into climbing into a treehouse. I got scared and couldn't come down. Uncle Billy climbed up and got me. He said I was like a scared cat and had my claws buried in his neck. From that on he was my hero. Loved my Uncle Billy.*
