“ I counted William as one of my closest friends. He and I shared many things together when I would go pick him up and carry him to Munford Baptist Church. Spending time with him I was able to understand what he was saying and it helped me to communicate with him. He loved MBC but he loved Jesus more!! I loved him for who he was!!!

“ I have Known Little William for a very long time, I remember when I use to spend the night with his sister, and he was there, me and Darlene and little William use to have fun together. He was one of the sweetest guys I knew. I use to love when he would go to wrestling and the wrestlers would get him going. William you are going to be missed so much. See you soon.

“ I helped William 2 years in high school in the Special Olympics. He always referred to me as his girlfriend 😊. I saw him at Oxford Lake a few years ago. I spoke to him and immediately he said, “my girlfriend!” Then ask if I was still married- haha. Very sorry for your family’s loss.
