“ Charles and I sat on the tail gate of his truck. He showed me how to tighten up my chain saw chain. Charles said, " It was ok for a man to get his hands dlrty with oil and dirt. Charles told me if I wanted the book I was looking at, to just take it. Charles put cash on the table to pay for the book. Charles would let me watch RDF TV tractors shows and Old Porter Waggoner , we could not get it on our Tv. I could go on and on, but tears are rolling down my face. Charles was my friend.
