“ *I will always cherish the beauty in her smile, the warmth in her hug, the passion behind every kiss on the cheek, her amazing spirit for adventure and I will always be grateful to her for raising my mom. She was the closest thing to a grandmother that I had left and my heart aches for the loss of her, but I know she wouldn't want it that way, so instead I will look forward for I know ill see her again someday but until then her strong since of spirit will remain deep in my heart so that while she is deeply missed she will never be forgotten. I love you Aunt Sue may your spirit rest in eternal peace along with all the many loved ones who went before you.*
