Our sweet baby boy:

Though your time with us was far too short, you filled our hearts with more love than we ever thought possible. From the moment we knew of you, we dreamed of holding you close, of seeing you smile, of watching you grow. Even though we didn't get to watch you take those steps in this world, you will always be our child, our precious gift.

From the moment we knew you were with us, our hearts were forever changed. You brought us joy, hope, and a love deeper than we imagined. Your bright smile, laughter and talks will be deeply missed. You had a coo that lit up the room and hugs that can never be replaced.

You are woven into the very fabric of our souls.

Every beat of our heart carries you with it. We imagine you are surrounded by peace and light, free from pain, wrapped in love that will never end.

We promise you this, we will speak your name, we will honor your memory, and we will carry you with us in everything we do. You are forever a part of us, our baby, our angel, our love.

Until we meet again, we send you all the love a parent's heart can hold.

With endless love,

Mom & Dad
