“ To young to go. Was sad to hear this but you are not hurting and you are with your Hubby. You were a kind person and very energetic cleaning houses and bringing goodies that you cooked. you were the neighbor around the curb. Go rest high on the mountain with the King of Kings! you will be missed.

My Best Friend dear one. I had heard her name all of my married life because Jacky and my husband (Jimmy) were very close friends. After I lost my sister in 2004 GOD put Ydgia and I together. He knew I needed a good friend that I good share my good and bad days with. She was there to pick me up when I was down and the same went for me being there for her. I have been truly blessed with the years we have had together. We prayed for each other's family members daily. Sweet lady you will truly be missed by me. I will always keep the memories of our times together in my heart. Love you my sister.
