

Zachary Ian Hawkins

February 5, 1980 - July 2, 2015

Zachary Ian Hawkins was born on February 5th, 1980 to Steve Hawkins and Sherry Kidd Clark in Anniston, Al. He attended Walter Wellborn High School and Gadsden State Community College where he not only received his Associate's Degree in Computer Science, but also excelled in that field of study. He worked loyally at Alabama Specialty Products as an International Sales Representative.

The love of Zack's life was his son Zachary Drake Hawkins, whom he dedicated every aspect of his life to.

Zack accepting Christ as his savior was a turning point in his life. Shortly after that, he attended Our Father's Arms ministry and Word Alive International Outreach. Zack was also the manager and designer behind the Sherry Clark Ministry website.

In his free time, he loved spending time with his son, his nephews, and his family. His other hobbies included riding dirt bikes, gaming, and listening to music. He was a lover of all things food and electronics.

Zack will be remembered for his humor, contagious laugh, his loyalty, and love for his son and family.

His strength, courage, and perseverance against all odds are something to be admired. He will be greatly missed by his family.

The family of Zack Hawkins wishes to extend our sincere thanks to Amedisys Hospice, the Alabama Specialty Products family, Our Father's Arms, and Word Alive International Outreach. Also a special thanks to family and friends who prayed, visited, and assisted in his care.

“ To the Family of Zach Hawkins,

My sincere sympathy goes out to each of you in the loss of Zach. My heart is broken for such a great young man. I taught Zach at Wellborn Elementary 5th grade. I remember him so well because of how intelligent he was in the classroom. I read his obituary and see so well how he used his intelligence to be successful. It is so wonderful to know he used his knowledge for the good of others.

If I remember correctly, Zach walked to school. One cold spring morning Zach came to school with a snake he found on his walk to WES. The snake was lifeless when he came into the classroom. I didn't have anything in my classroom to keep the snake. We sent it down to Mrs. Dunaway's room to put it in an aquarium for the students to identify. Later in the morning we received word the snake was now alive! Yes, it was a great lesson for this teacher and all the students. Cold blooded animals take on the temperature around them and this little sneaky snake did a trick on us. Once his body temperature warmed up he became active and alive! I tell this story still in the classroom today. So, Zach's memory has been carried forward for many years!

May your wonderful memories of Zach be hope and comfort to each of you. I will keep you in my thoughts and prayers.

Love,

Beth Williams

“ It was such a blessing to get to spend the entire day with such a caring and blessed family. We wouldn't have wanted it any other way. The love shown this day was the most wonderful gift that Zack could have gotten. Fly high my friend and just know that we will see you again someday. Until then, we love and miss you so much.
